23RD SUNDAY IN ORDINARY TIME - YEAR A
5TH & 6TH SEPTEMBER 2020

HOMILY NOTES
When I was a young man at University, I loved the extra-curricular life - especially my involvement within both the Newman Society (Catholic student movement) and the University’s football club. One year, at the business end of the football season, our team was looking at playing in the finals. It was then that I made a decision. The Newman Society had planned a weekend faith formation camp that I really wanted to attend. And because I felt I was one of the better players in our football team, I thought, “I can miss out on this one game”. Not long after this, our football side was in the Grand Final. . . . and I can still feel the disappointment/hurt when I was omitted from the side. I was shocked. No one had approached me when I’d made my earlier decision to say: “you’ve crossed a line here”.

The context of today’s gospel passage is that it is placed just after Jesus’ story of the lost sheep . . . in which the shepherd lovingly goes after that wandering sheep. So our gospel passage reminds us that when we know someone needs to be confronted, the first step is to lovingly seek out the person in a one on one encounter. And then, if there is no response we follow the next step that Jesus outlines. What would I have done if a member of the selection panel of the football club had confronted me after I’d made myself unavailable for that weekend? I may have reconsidered!

Today’s gospel text also reminds us as a faith community that the Lord is with us, walking with us on the journey that we travel. It is Father’s Day weekend and in the bulletin is a reflection from Fr Joe McMahon about his dad (Fr Joe died 3 1/2 years ago). I was struck by Joe’s words: about walking with his dad; his dad proudly standing beside him; that he and his dad worked together and how they were at ease in each other’s company and thus able to converse on many topics. I reckon Joe’s dad became for him a powerful symbol of the way that the Lord walked with him, proudly stood beside him, worked with him, and was at ease with him, so that they could converse together about anything.

Today, the subject matter of our gospel may be quite challenging to some of us. However, the last verse reminds us that the Lord walks with us, proudly stands beside us, works with us and seeks to talk with us about all that’s going on in our lives!

A BLESSING FOR FATHERS
We thank you, God, for the gift of our fathers,
For grandfathers and godfathers and fathers-in-law too.
Send your Holy Spirit upon our fathers,
In whose laps we were cradled, at whose hands we were fed, instructed, at times corrected,
In whose company we learned to work and play and pray, at whose side we hear your word and celebrate your mysteries.
Heal their pains and disappointments.
Forgive all that needs to be forgiven.
Give to them the good that they have given to others.
Welcome into your arms those who have died.
Fill this world, O God, with a father’s love!
We ask this through your Son Jesus Christ, who taught us to pray to you as “Abba”.
He lives and reigns with your and the Holy Spirit, who is the Father of the poor, one God forever and ever.
Amen.

**ST MARTINS MENTAL HEALTH CHECK INS**

Hi St Martin’s Community, this is Chris one of the youth leaders. During this lockdown period, many of us are at risk of the negative effects that social isolation can have on our mental wellbeing. This can be especially true for the members of our community as weekly masses have been halted. That’s why from the 23rd of August to the 19th of September, 2 other Nursing student volunteers and I will be offering mental health check-up calls to those who feel they need it, or to those who think a family member or friend may need it. In these weekly calls we will offer guidance, advice, and support regarding your quarantine experience, staying safe, and possible referrals and recommendations to services you may find useful. Most of all we are here just to listen to anything you want to say. These calls are confidential and if you would like can simply be for you to socialise. If you think you, a friend or a family member may benefit from this service, email christopherwebb4321@gmail.com and send me the name and number of the person and we will follow up with a phone call. Stay Safe everybody and God Bless.

**FATHER’S DAY REFLECTION**
This is a reflection about 1 man’s dad - perhaps it can prompt some thoughts of your dad or father figures in your life.

**‘DAD’**
My favourite time with dad was spent walking with him. When I was young I would walk with dad and my brother to the Punt Road oval to watch our team Richmond.

I have another special memory, one Good Friday, walking with dad to Good Friday ceremonies at our church. We went together to St Francis’ in the city, the night my little sister died. We arrived home when my sister called for dad, just before she died.

Dad would stand beside me, when we were having a break between quarters at our football matches. I knew he was proud of me and it helped me to play better.

When I was on holidays from the seminary, I worked with dad in a grain store on the South Wharf.

Walking beside dad was always an honour for me. We were easy in each other’s company. We could converse on many topics, sports, politics, things at home, television (westerns), religion. Dad was easy to be with except when he was driving a car, or barracking at the football; these were times for war!

Dad’s health suddenly turned bad when he was in his mid-fifties. In his final illness he was downcast, as weight fell off him until he was ‘skin and bone’. He said that he did not know what to do. I gave him a small Bible and asked him to read and pray through St Paul’s letter to the Corinthians. When he read the words “death where is your victory, where is your sting”, it settled him and gave him great heart for the journey to come.

I hope to walk again with dad, one day ‘in the land that knows no end’.

This reflection is from Fr Joe McMahon’s book of reflections entitled, Seeking the Heart of God on Earth

**CARITAS THANK YOU**
A donation of $3000.00 was sent to Caritas Australia towards the Lebanon Blast – Beirut Appeal. These funds were donated from the Mission Fund account that you, our parishioners, contribute towards from your Stewardship contributions. **A note from Caritas...**The donation you have so kindly made to Caritas Australia’s Middle East Crisis Appeal will enable a rapid response to help communities and families who have been struck by the explosion on 4 August 2020 as well as others who continue to bear the scars of conflict long after it is over. Your kindness will be directed to where it is most needed in the region, to provide emergency assistance to displaced families, host communities and affected populations. Through the international Caritas network and local partners, our programs currently address a range of areas, such as: food and water, hygiene kits including masks and soap, emergency housing and shelter repairs, access to education, social services, household items, healthcare and psychosocial support; and peacebuilding activities.

**FIRST SPIRITUAL EXERCISES**
The prayer accompanying this newsletter is called a Field Hospital, First Spiritual Exercise. It is just one of many that have been developed to help us during this time of the COVID-19 pandemic. Fr Michael Hansen SJ has been working on these prayers with his team in Sydney. First Spiritual Exercises are designed in a similar way to the way that St Ignatius helped people to pray before he developed the Spiritual Exercises as we have had them since. These are named Field Hospital exercises in reference to the way that Pope Francis sees the Church as a Field Hospital for a broken world. This prayer is offered to you as another way to pray, a way you may not have tried before. You can pray these prayers individually or in a group with some sharing. Many more prayers are available. If you would like to join in a group then please let me know so that it can be arranged.

My email address is, anne.priestley@mercy.org.au

**PLENARY COUNCIL A Journey of Discernment**
The last six months of the Plenary Council Journey has required many unplanned changes due to COVID-19. This included the decision to postpone the Plenary Council gatherings to 3-10 October 2021 (Adelaide) and 4-9 July 2022 (Sydney). What hasn’t changed though, is the heart of the journey – the discernment process.

Archbishop Tim Costelloe SDB has written a paper reflecting on the genesis of the Plenary Council, retracing the journey so far and offering insights into the period leading up to the assemblies in 2021 and 2022, as well as the implementation phase beyond. In it, he likens the celebration of the Plenary Council to St Francis’ “San Damiano moment”, where the saint received a calling to rebuild God’s Church.

“We are being invited to rebuild the Church, to restore it so that its true nature and identity, and its beauty, can be seen again,” Archbishop Costelloe says.

“We are being called to walk together again the path of true fidelity. But if we are, together, to do this we need to understand the gift we have been given, rejoice in it, love it, and be ambitious for its future. ... The key lies in a careful consideration of what fidelity to the Lord and the Lord’s will for the Church really looks like.’

**Pray As You Go** Is a daily prayer session, designed to go with you wherever you go, to help you pray when ever you find time. A new prayer session is produced every day of the working week and one session for the weekend. It is not a ‘Thought for the Day’, a sermon or a bible-study, but rather a framework for your own prayer. Lasting between ten and thirteen minutes, it combines music, scripture and some questions for reflection. Our aim is to help you to become more aware of God’s presence in your life, listen to and reflect on God’s word and grow in your relationship with God. The style of prayer is based on Ignatian Spirituality. It is produced by Jesuit Media Initiatives, with material written by a number of Jesuits, both in Britain and further afield, and other experts in the spirituality of St Ignatius of Loyola. It is available free to download from the App Store and is also available on Google Play. Just search ‘Pray as you Go’.

SEASON OF CREATION 2020 - free program

Pope John Paul II in 1990 named environmental care as integral to the Catholic faith and named St Francis of Assisi as the patron of ecological conversion. Pope Benedict XVI reinforced this Catholic vocation delivering homilies and speeches asking world leaders to take action. Pope Francis, in his 2015 Encyclical Laudato Si’ detailed the call to See, Judge, Act on care for our common home.

Every year, Christians of all denominations join in prayer and action for our common home and celebrate the Season of Creation starting on 1 September, the Day of Prayer for Creation and ending on 4 October, the Feast of St. Francis of Assisi. See www.columban.org.au for the program.
