

## PRIVATE PIANO LESSONS 2021

Application for Enrolment and terms and conditions information are now available at the office. Private piano lessons are available for students in Years 3 – 6. Occasionally Year two students may be considered if there are enough places and the lesson is conducted out of class time.

Current students will be given priority of a place but must submit Enrolment 2021 form to the office. All forms must be submitted by Friday 4<sup>th</sup> December.

I look forward to a safer and happier 2021 as we have all endured many challenges this year.

Warm regards

Carol Seymour
