

You are invited to join.....
The 2019 Premiers' Reading Challenge

It's that time of year again! Last year we had over 140 students meet the Premiers' Reading Challenge and be presented with a certificate by the Member for Ivanhoe, Mr Anthony Carbines. We also read so many books that two of our students starred on the front page of the local paper!

So of course, we have to do it all again! This time we hope to have even more students join in the fun whilst taking the opportunity to read some fabulous stories.

Please talk to your child about taking up this challenge in 2019. All you need to do to begin the process is fill out the form below and return it to your classroom teacher.

After that, we will send home a username and password which will enable you to log into the site and start recording your reading. We aim to have all students off and running by the end of week two. The challenge finishes in September.

In the meantime, go and check out the Premiers' Reading Challenge website to see what great books are on the list and find out how the challenge works.

<https://www.education.vic.gov.au/about/events/prc/Pages/default.aspx>

We are looking forward to the St Martin's community working together to reach even greater heights with our reading. Parents, we are excited to be working with you to support your child with this challenge. Remember **'The more you read, the more things you will know. The more that you learn, the more places you'll go.'** Dr. Seuss

With every best wish,

Chloe Jones and Martine Klaić
Library Teachers

I give permission for my child _____ in class _____ to participate in the Premiers' Reading Challenge.
