

Socials Tennis Club Invitation

The Socials Tennis club is exactly that. Social first, Tennis, just an excuse.

We formed from the St Martin of Tours raffle committee, simply because we needed an excuse to get together more regularly, post raffle, to continue the mateship and comradery.

Reality

We are a group of over 40's Dads who play in the North Eastern Tennis Group Veterans Sections on a Tuesday night. Our home courts are located on Thompsons Rd Bulleen however we are not affiliated with any Tennis Club. We don't travel far as all teams are local

Start 07:00 PM

Finish 10:00 PM (ish)

It has been a while since we initiated a recruiting drive so, don't delay! Join us for a bit fun, exercise and even some tennis. It does not matter what level you are we will accommodate appropriately. If you have some mates we can make sure you are in the same team.

Next season commences Jan next year however we need to submit teams soon. Like, in the next couple of weeks. (I never said we were well organised!!!)

Who authorised this? (We are called Socials!)
