

WHAT IS THE BIKE HUT?

The Bike Hut operates out of Malahang Reserve West Heidelberg in a purpose built shed by the Banyule Council for local park users to fix their bikes, scooters and skate-boards. Bikes are also donated and given out to local residents to ride to school, work or for recreation. Young people are encouraged to learn bike mechanics and safe riding skills as they help fix their bikes.

The Bike Hut is run by committed volunteers with a keen interest in biking and supporting the community and is open on Thursdays from 3:30 - 5:00pm.

What can we do as a community?

If you have any unwanted bikes that you no longer need, St Martin's school is collecting bikes to donate to the BIKE HUT. If you would like to donate a bike to this great service, please bring the bike to school on Friday 13th of December. The bikes will then be collected by the Bike Hut volunteers.
